Superintendent of Schools
Maynard Public Schools
12 Bancroft Street
Maynard, MA 01754

Dear Mark:

This letter is to inform you that the Acton-Boxborough Regional School Committee received your letter of March 29, 2007 concerning regionalization at their May 3 School Committee meeting.

Your request that the Committee consider regionalization with Maynard High School was discussed at that meeting. Due to the high enrollment numbers in our high school, both now and in the foreseeable future, members felt that they could not consider regionalization with Maynard at this time.

We appreciate your situation, and hope that you will find a satisfactory solution.

Sincerely,

William L. Ryan
for the Acton-Boxborough Regional School Committee
